

Job Opportunity Marine Superintendent (m/f/d)

SLOMAN NEPTUN Schiffahrts-Aktiengesellschaft, based in Bremen/Germany, is a traditional shipping company in business since 1873. The company operates a diversified fleet of gas tankers, oil/chemical tankers and dry cargo vessels.

We are currently looking for a **Marine Superintendent** for our **Tanker Fleet**.

Your main tasks

- Ensuring the operational readiness of the assigned vessels
- Planning, controlling and monitoring the implementation and quality of the execution of the maintenance and repair measures for nautical and cargo equipment
- Preparing and coordinating Class renewals, inspections and dry dockings and maintaining vessel certificates
- Conducting regular Marine & Safety inspections and Internal Audits
- Preparing budgets for maintenance, repairs and dry dockings including monitoring and controlling the costs
- Defining technical and maintenance standards for assigned equipment and elaborating specific training measures

Your profile

- Completed technical or nautical studies, preferably in the field of marine/process engineering
- Preferably 2 years sailing experience as engineer on tankers or in a similar position ashore, e.g. as project engineer or service engineer
- Experience in project-management
- Leadership and Management skills
- Strong communication and teamwork skills
- Excellent command of the written and spoken English language

We would love to hear from you!

If you are interested in this position we will be happy to receive your written application. In case of any questions please do not hesitate to contact us by Phone: +49 421 1763 -357 or E-Mail: feldmann@sloman-neptun.com.
