

A background image showing several workers in red uniforms and white hard hats, likely on a ship or industrial site. The workers are seen from behind, looking towards the left. A dark blue rounded rectangle is overlaid on the bottom part of the image, containing the job title.

QHSE Coordinator (m/f/d)

As QHSE Coordinator you assist in establishing and maintaining QHSE requirements in the company's Safety Management System (SMS).

Your main tasks

- Assist in implementing QHSE work instructions, processes and Circular Letters in the SMS
- Prepare and conduct QHSE presentations, trainings and briefings to train Company employees and seafarers
- Conduct and arrange internal and external audits in coordination with the Head of Department
- Arrange and coordinate the completion of third-party inspections
- Assist fleet vessels in preparation for Vetting-, Port State- and Flag State Inspections
- Provide fleet with security information and ensure compliance with the latest ISPS Code
- Analyse third-party inspection- or audit results by conducting a root-cause analysis and identifying corrective and preventive actions
- Review, analyse and provide feedback on received QHSE records received from fleet vessels
- Perform incident and accident investigations

Your profile

- Education/degree in the shipping environment or experience in QHSE
- Familiar with ISM/ISPS/ISO/MLC regulations
- Preferably previous experience with TMSA and third-party inspections (CDI, SIRE, PSC, Flag State)
- Good communication and interpersonal skills
- Good presentation skills with the ability to inspire people
- Ability to work independently but also in a team
- Willingness to travel
- Fluent English - written and spoken

We would love to hear from you!
