

Job Opportunity Superintendent (m/f/d)

SLOMAN NEPTUN Schiffahrts-Aktiengesellschaft, based in Bremen/Germany, is a traditional shipping company in business since 1873. The company operates a diversified fleet of gas tankers, oil/chemical tankers and dry cargo vessels.

We are currently looking for an experienced **Superintendent** for our **Product & Oil/Chemical Fleet**.

Your main tasks

- Ensuring the full technical readiness of the vessels
- Planning, controlling and monitoring the implementation and quality of the execution of the maintenance and repair measures
- Preparing and coordinating Class renewals, inspections and dry dockings and maintaining vessel certificates
- Carrying out regular ship visits, worldwide and as per requirements
- Preparing budgets for maintenance, repairs and dry dockings including monitoring and controlling the costs
- Defining technical and maintenance standards for assigned equipment and elaborating specific training measures

Your profile

- Completed technical studies, preferably in the field of marine/process engineering
- Experience as Superintendent for tankers
- Preferably with Chief Engineer's COC and senior sailing experience on tankers
- Experience in project-management
- Leadership and Management skills
- Strong communication and teamwork skills
- Excellent command of the written and spoken English language

We would love to hear from you!

If you are interested in this position we will be happy to receive your written application. In case of any questions please do not hesitate to contact us by Phone: +49 421 1763 -357 or E-Mail: feldmann@sloman-neptun.com.
